WEDNESDAY, NOVEMBER 18, 2015, NOON

SOLANGE RITCHIE

THE BURNING MAN

In her debut thriller, **THE BURNING MAN**, Solange Ritchie unravels a string of harrowing murders. Four young women share a tragic bond: being savagely mutilated and left for dead in the lush fields of Orange county, CA. Local police seek out one of the FBI's most respected experts, forensic pathologic/agent Dr. Cather ("Cat") Powers to catch the elusive "Burning Man," as he's been branded by the media.

The more Cat gains insight into the monster's demons, the more she can't shake the sense that he's hiding in plain sight, watching and taunting her.

ROCCIE HILL

WINDOW OF EXPOSURE

As a prestigious F-16 fighter pilot, Captain Kate Cardenas grew disillusioned with the endless harassment and sexism of her colleagues. Now she faces a greater challenge as a secret operative for the Defense Intelligence Agency—rescuing an American military vendor kidnapped by terrorists.

Fast paced and riveting from beginning to end, **WINDOW OF EXPOSURE** invites readers into the close knit, secretive world of military operations in an international thriller that explores modern day terrorism through the efforts of an unforgettable female heroine.
